The month of Valentine's Day and Leap Year...

What will you be doing with your extra day this year?

Why not join us on an outing to the movies? We'll be watching ["JoJo Rabbit"](#) this Friday, 28 February in Zurich (in English) with German and French subtitles. We'll meet first at Commehalle at 19:00 and go onto Capitol Movie theater where it will start at 20:00.

Or... try out one of our online advanced level conversation sessions. They will start on 9 March and will occur 3 times a month on Mondays 19:30 -21:00. Cost is CHF 30.00 per session. [Check us out!](#)

We are happy to announce another success: Lea Eggenberger has passed her General IELTS Test. After just 5 1-hour online lessons, concentrating on essay writing, she's reached her goal! Read more about Lea in our Student Spotlight section.

Last but not least, don't miss our reading exercise about a Russian spy and our music listening practice. Do you know the song "Humble and Kind"?

Lea, 24 years of age, has been officially admitted into Hillsong College in Sydney,

Australia, where she will attend a 3-year study program in pastoral ministry. Equipped with her General IELTS Certificate, she's now preparing for her move in July. I thoroughly enjoyed assisting her and will miss her bubbly personality!

A Russian Spy in Geneva

Did you hear about the Russian spy recently arrested in Switzerland? Here's the story "Mystery surrounds Swiss arrest of suspected Russian spy." published on Swissinfo.ch on 16 February 2020 [in our blog](#). A great way to build vocabulary you need for interesting conversations.

Do you enjoy learning English through music? Here's a song with its music video and lyrics. Don't forget to use [deepl.com](https://www.deepl.com) to translate the words into your own language.

["Humble in Kind"](#) is sung by an American country singer with a great message.
(German:bescheiden und freundlich. French: humble et aimable)
