Want to practice your English skills but don't feel like taking a traditional English course? From 8 February - 15 March 2021, come join me and some really interesting folks via Zoom on Mondays 19:00-20:30.

We're going to get to know each other and I'll be bringing up different, interesting topics to discuss each week. Two advanced level speakers have already signed up.

Tomorrow we'll be talking about the latest ways of living. Have you ever considered living in a tiny home? in a co-operative? Or maybe you already live in a Minergie home? Share your experiences, dreams and opinions about these alternative ways of living with others.

If you choose, you can prepare by reading articles/watching videos about the latest living choices to get your creative ideas flowing. And take advantage of practicing new and useful vocabulary via Quizlet. [Here's a pretty cool free sample of extra material to help you do so.](#)

[Register to join us tomorrow online via this Zoom link.](#)

A CHF 10.00 fee/per session can be paid either by invoice or paypal.
